6th International Conference on Big Data and Machine Learning (BDML 2025)

May 24 ~ 25, 2025, Vancouver, Canada

Call for Participation

We invite you to join us in **6th International Conference on Big Data and Machine Learning (BDML 2025)**

This conference will act as a major forum for the presentation of innovative ideas, approaches, developments, and research projects in the areas of Big Data and Machine Learning. It will also serve to facilitate the exchange of information between researchers and industry professionals to discuss the latest issues and advancement in the area of Big Data and Machine Learning.

Highlights of BDML 2025 includes:

- 13th International Conference on Data Mining & Knowledge Management Process (DKMP 2025)
- 14th International Conference on Embedded Systems and Applications (EMSA 2025)
- 14th International Conference on Cloud Computing: Services and Architecture (CLOUD 2025)
- 11th International Conference on Artificial Intelligence and Applications (AIFU 2025)
- 11th International Conference on Signal and Image Processing (SIPRO 2025)
- 14th International Conference on Software Engineering and Applications (SEA 2025)
- 11th International Conference on Networks & Communications (NCOM 2025)
- 15th International Conference on Computer Science, Engineering and Applications (CCSEA 2025)
- 6th International Conference on Natural Language Computing and AI (NLCAI 2025)
- 6th International Conference on Block chain and Internet of Things (BIoT 2025)

Registration Participants

Non-Author / Co-Author / Simple Participants (No Paper)

100 USD for Online (Without Proceedings)

450 USD for Face to Face (With Proceedings)
